# SPOT THE DIFFERENCE

Double trouble! Look carefully at the two images. Spot the differences on the bottom and circle all five of them.

# ACTIVITY IDEAS

Need some ideas for your staycation? Here are some of the adventures Harry and Clare went on for your to do list.

- ☐ Go to Mars in your family room. But look out, there can be quicksand!
- ☐ Create an indoor course and race around in a Pasta Linguini Racer. Don't forget your helmet!
- ☐ Does your building have a pool? Perhaps your community center? Pretend to be a dolphin or walk the plank as a pirate.
- ☐ Pretend to be the adults in school. You'll need a teacher and a principal and some stuffed animals as students.
- ☐ Climb up a high mountain on a staircase, but avoid the Abdominal Snowman!
- ☐ Come up with a treasure hunt through the jungle in your neighbourhood park. Be sure to watch out for umpire bats, hop quietly, look for a sunken ship, ride Kimono dragons, and avoid elephant hummingbirds!
- ☐ When you're feeling hungry, try some asteroid burgers and volcano sticks.
