

Solutions for a SPARE SOCK

OR

How to make a SOCK PUP

Supplies

- 1 spare sock (no holes!)
- rice
- scissors
- 3 elastics
- marker
- glue

1.

Cut sock in half just below the heel.

2.

Fill the toe of the sock with about 1 cup of rice.

3.

Roll down the top of the sock. Make sure it is closed tightly so no rice spills out. Secure with one elastic on each side to form the ears.

4.

Put an elastic around the middle of your sock. This is your pup's collar.

5.

Cut a piece of fabric (leftover sock, felt) and glue on your pup's tail.

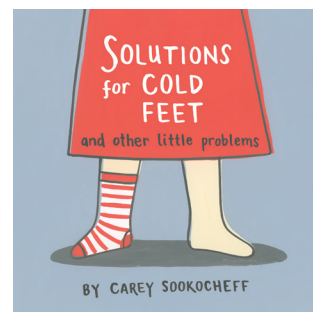

6.

Draw on your pup's face using a marker.

7.
