

# LOLLIPOP GHOSTS

## STEP-BY-STEP

In *The Little Ghost Who was a Quilt*, the little ghost sees a branch trimmed with lollipop ghosts. If you have extra fabric, you can make a whole family of lollipop ghosts – maybe there's even a lace one like the little ghost's great-grandmother! Ghosts can be all shapes, sizes, and colors.

### WHAT YOU'LL NEED:

- Different types of fabric (any pattern)
- Round lollipop
- A marker
- String or ribbons

### STEP 1:

Cut your fabric so it is about the size of a tissue.

### STEP 2:

Place the cut fabric over the lollipop (make sure the lollipop is still wrapped up so your ghost does not get sticky!)

### STEP 3:

Add a ribbon or string around the base of the lollipop so that there's a separate head and body

**STEP 4:**

Draw eyes and a mouth onto your ghost's head.

**STEP 5:**

Decorate! Put your lollipop ghosts in a container or hang them on a branch.
