ABOUT THE BOOK

Anne loves having pretend tea parties by herself. She even decorates her room with branches and colorful leaves for the occasion. Marilla Cuthbert, who adopted Anne in the last year, wishes Anne would act a little more sensibly. One day, Marilla comes up with a plan to keep Anne out of mischief — Anne can host her very own tea party and invite her kindred spirit, Diana Barry! Anne is thrilled, and sets out to host the most lovely and grown-upish tea party she can muster. But when Diana accidentally becomes sick at the party, Diana's mother is furious. Can Anne be forgiven? Will she ever be allowed to play with Diana again? Lovingly adapted by Kallie George with beautiful nostalgic illustrations by Abigail Halpin, this series is perfect for fans of Anne, new and old.

KEEP THE CONVERSATION GOING

Here are some ideas, activities and questions to consider after you've read the book:

- Create an invitation for a tea party or an imaginative party of your own: Is it a party for stuffed animals, or friends or family? Is it a tea party, maybe a party hosted BY teacups that talk? You could be as imaginative as you'd like!
- Design a menu for a tea party!
- Write a letter or send a postcard to a friend, like how Anne and Diana exchange notes.
