ABOUT THE BOOK

What sounds does Little Crocodile hear on a trip to the park?

Grandma says "Sweet Pea!"

The pigeons go flap, flap

The dandelion goes pffff

The chatter goes chit chat

The merry-go-round goes wheee

And the crocodile says . . . WAHHHH!

In this charming book of sounds, Little Crocodile visits the park with Grandma and Grandpa, and experiences being left out, kindness and independence, ultimately enjoying their day . . . after a small meltdown, of course!

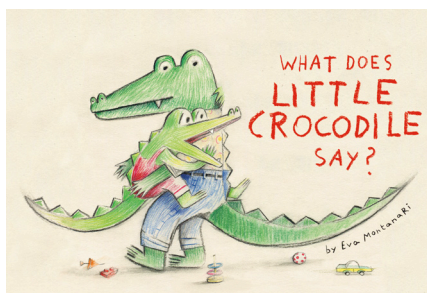

KEEP THE CONVERSATION GOING

Here are some ideas, activities and questions to consider after you've read the book:

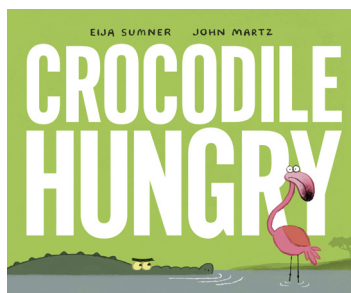

- Do you like going to the park? What is your favorite thing about it?
- Make a sound with a toy or object. Try to think of how you would spell it out as a word. Now try a different sound. Which sounds are easier to write into words?
- Before you go outside, make a list of things you will see. Go on your outdoor adventure hunt and check items off the list you made. What are some things you didn't see that you had expected?
