ABOUT THE BOOK

In the hilarious ninth book of this blockbuster graphic novel series, Narwhal's sweet tooth leads to some very funny feelings!

Dive into four new stories so sweet, they'll make your teeth tingle! Everyone knows that Narwhal is a big fan of sugary treats — but Jelly is shocked when Narwhal's tusk-tooth isn't looking so pearly white anymore and is feeling a little funny. It turns out, Narwhal has been using it as a "snack saver"! Thankfully, no one knows more about dental hygiene than Shark — she has seven rows of teeth, after all! Meanwhile, Jelly and Crab try to show Narwhal that it's fine to frown if you're feeling down. Can Narwhal's friends convince the happiest creature in the ocean that it's okay to have a bad day?

KEEP THE CONVERSATION GOING

Here are some ideas, activities and questions to consider after you've read the book:

• Narwhal and Jelly ask Crab for help with learning how to frown. How many different faces can you make?

• Would you rather have a narwhal tusk or shark teeth?

• Narwhal makes up their own song for when they are brushing their teeth. Can you make up your own toothbrushing song?

• We learned that sharks can lose over 25,000 teeth in a lifetime. How many teeth do you have? Can you count them? Draw a picture of yourself with a shark mouth full of teeth instead.
