## ABOUT THE BOOK

An exuberant and interactive picture book for grandparents and their genius, sweet, precious, SO-CUTE-I-CAN'T-STAND-IT! grandbabies, and a celebration of Yiddish and Jewish joy. For fans of *Goodnight Bubbala* and Leslie Patricelli.

Look at this baby . . . what a genius! And such a shayne punim, too! From the top of baby's adorable head to the tips of their toes, there's nothing for a grandma not to adore in her little bubbeleh. Sweet Babe takes babies and their bubbies, not to mention grandparents of every stripe, on a delightful read-aloud journey that practically cries out for frequent cheek-squishing and keppie (head)-kissing in this irresistible celebration of the connection between grandparent and grandchild, and of Jewish joy through the generations.

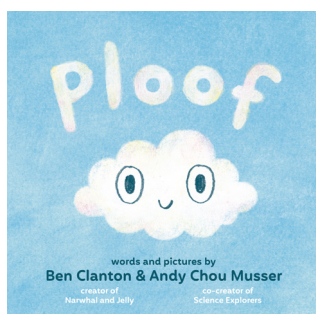

Includes a Yiddish glossary at the back with transliterated vocabulary.

## KEEP THE CONVERSATION GOING

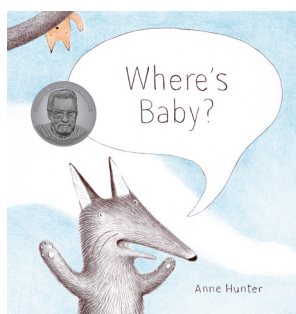

Here are some ideas, activities and questions to consider after you've read the book:

- Bubbe and Zeyde are Yiddish for Grandma and Grandpa. Do your grandparents have special names?
- Using the glossary at the back of the book, learn the different terms for the parts of the baby's body and make your own version of the "Head, Shoulders, Knees and Toes" song.
- Bubbe likes to call Baby by various nicknames, like Sweet Babe and Precious One. Does your family have a nickname for you?
