Doors Open Scavenger Hunt

1. Carefully cut out each door along the dotted outlines.
2. Hide them around the room, using removable adhesive to secure them to bookshelves, walls, furniture and more!
3. Have kids, families and friends look for the doors, and give them the checklist to use as a guide!

How Many Doors Can You Find?

BONUS ACTIVITIES

1. Doors lead to anything you can imagine! Come up with stories for what's behind the doors you found.
2. What is your favorite door to go through?
3. Using a camera, take photos of interesting doors in your neighborhood or when you travel.
